# Chair and Chief Executive reports

Neil Boniface  
Chair

## FROM THE CHAIR

I am pleased to present the 2022 Annual Report. Despite another challenging year with COVID-19, we have recorded a profit of \$849,000. This result is partly due to unprecedented bequests, but it also represents strong support from our communities and strong cost controls within the organisation.

Most notably, on Daffodil Day, we raised a record amount through online donations and support from the Principal Sponsor, ANZ, even without our usual street appeal. We also had the most successful Invercargill Society Ball ever, and our Dunedin and Queenstown Ball committees conducted online auctions, continuing to raise funds for us despite the actual events not being able to happen. I also want to particularly acknowledge our CanShop volunteers who kept the shop running, stocked, and even posted record profits despite the challenges.

The year 2021 heralded a change for the health sector, with the government planning for the new Te Whatu Ora (Health NZ) and Te Aka Whai Ora (Māori Health Authority). The Cancer Society Federation is working collaboratively to position ourselves within this changing landscape as we promote greater alignment across the country guided by our strategic plan and equity charter.

I am grateful to my fellow Board members and to Rachael and the management team for their continuing stewardship of this organisation in these difficult times.

A handwritten signature in blue ink that reads "Neil Boniface".

Rachael Hart  
Chief Executive

### FROM THE CHIEF EXECUTIVE

Covid-19 has again continued to be a shaping factor for the delivery of our Supportive Care services. Our team in the community has remained nimble, supporting patients with changing treatment plans and the particular challenges of dealing with Covid-19 when immunocompromised.

We developed some innovative new partnerships, including a new exercise programme developed and delivered in partnership with the University of Otago that links cancer patients with physiotherapy students. In 2022, we look forward to expanding our in-person services, and particularly to resuming our group sessions.

We kept Daffodil House – our home away from home for people travelling to Dunedin for treatment – open, with greater distancing and cleaning. We were enormously excited to upgrade the bathrooms and carpets, with grants from Alexandra McMillian Trust and Nellie Milnes Charitable Trust, and re-do the garden with support from Mitre 10.

Covid-19 has highlighted for us the enormous blessing we have in support from our communities. Our volunteers continue to be the backbone of the organisation. This year, I would particularly like to thank our volunteer driving service, who continued to drive patients for the whole year to ensure that no one missed their cancer treatment.

In our work on cancer prevention, we welcomed the government's SmokeFree Aotearoa 2025 Action Plan in December 2021. The culmination of many years of hard mahi, the plan will accelerate our progress towards a smokefree future and tackle the harm that smoked tobacco products cause the people of New Zealand.

We provided \$105,500 to national research projects, which this year included for the first time a specific grant programme for early-career Maori researchers. This initiative was developed in partnership with Hei Āhuru Māwai Māori Cancer Leadership Aotearoa.

An enormous thank you to all who have supported us through this time. Cancer doesn't stop and neither will we.

*Rachael Hart*

# What did your support help us achieve?

Your time, energy, money and services helped us towards achieving our mission of supporting those impacted by a cancer diagnosis and improving community wellbeing by reducing the incidence and impact of cancer.

## VOLUNTEERING

Over **563** regular volunteers, growing to **1500+** on Daffodil Day and Relay For Life events.

Clients driven to **1141** appointments by volunteer drivers.

**20,452** kilometres driven by volunteer drivers.

**\$190,080** generated from our CanShop.

## SUPPORTIVE CARE

Assisted **1398** clients and their families/whānau.

Daffodil House welcomed guests for **1622** nights.

Assisted **366** women with prosthetic services.

## ACCOMMODATION

Breast cancer, bowel cancer, prostate cancer and other workshops, and support group sessions were not held due to the COVID-9 pandemic.

## FUNDRAISING

Raised **\$467,719** on Daffodil Day.

Held **1** Society Ball in Invercargill that raised **\$147,166**. The Society Balls in Dunedin and Queenstown were not held due to the COVID-19 pandemic. On-line auctions held in lieu of these balls raised **\$73,695** and **\$23,939** respectively.

Ran Relay For Life events that raised **\$272,538**

**\$790,451** received through donations, grants and community fundraising.

Received **\$1,128,645** from bequests.

## RESEARCH

Contributed **\$105,592** towards cancer-related research.

Participating in the government's consultation on the best way to achieve a smokefree future for Aotearoa was central to this year's work.

We contributed to **44** pages of evidence in the Cancer Society of NZ submission on the Smokefree Aotearoa 2025 Action Plan. Our division made **5** separate submissions to parliament on this topic and encouraged **167** stakeholders to have their say.

A key element in our submission was a significant reduction in the number of retailers able to sell tobacco. We shared the voices of **362** members of the Otago Southland community as part of this national petition, which was presented to Labour MP Dr Liz Craig in Invercargill.

We recognise that the best way to achieve a smokefree future is for young New Zealanders to never start smoking and our submissions focused on this and achieving equitable outcomes for all New Zealanders.

After nearly a decade of advocacy, the law prohibiting smoking and vaping in cars carrying children and young people under 18 years of age came into effect in November 2021. 'Drive Smokefree for Tamariki' campaign was delivered online and in the community.

Recognising that alcohol causes at least seven types of cancer, we joined other organisations to reduce the impact of alcohol on youth in Central Otago. "The Plan" which is designed to help parents help their teens to delay drinking alcohol, is a set of tools that were put online and disseminated in print in bottle stores so parents could pick them up, take them home and read them.

We attended and supported **13** community events and gave **2** presentations at national conferences on the importance of built and natural shade in the places we live, learn, work and play to reduce high skin cancer rates in Aotearoa.

We wrote to or meet with decision makers **99** times and made **17** submissions to local councils. We need both healthy environments and people to engage in healthy behaviours to turn the tide on cancer. Our submissions focused on supporting Smokefree and SunSmart environments and reducing the influence of junk food marketing on our tamariki and rangatahi. "He moana pukepuke e kengia e te waka – a choppy sea can be navigated".

Together we can reduce the incidence of cancer in our community.

## Regions at a glance

A large number of workshops, support group sessions, Smokefree retail audits, SunSmart school accreditations and other community initiatives which would normally be held were cancelled due to the COVID-19 pandemic.

### Southland

- 787 Supportive Care clients.
- 1079 bed nights at Daffodil House in Dunedin.

### Queenstown & Central Otago

- 180 Supportive Care clients.
- 528 bed nights at Daffodil House in Dunedin.
- 57 volunteers involved with CanShop Queenstown.

### Dunedin & Coastal Otago

- 431 Supportive Care clients.
- 15 Daffodil House bed nights for North Otago and South Otago residents.
- 32 regular volunteer drivers.
- 20,452 volunteer kilometres driven.

# How you can support us

To find out how you can help the Cancer Society provide services in Otago and Southland, call one of our offices detailed on page 15 of this Annual Report.

- Join as a member.
- Become a volunteer.
- Become a community fundraiser.
- Make a donation.
- Enlist as a regular donor.
- Sponsor us.
- Leave us a gift in your Will.
- Take part in Daffodil Day, Relay For Life and other events.

<b>SUMMARY CASH FLOW STATEMENT FOR THE YEAR ENDED 31 MARCH 2022</b>		
Net cash flow from operating activities	965,940	54,064
Net cash flow (to) investing activities	(904,369)	(374,638)

These financial statements should be read in conjunction with the notes to the financial statements and the independent auditor's report.

## NOTES TO SUMMARY FINANCIAL STATEMENTS

1. These Summary Financial Statements have been extracted from the full statements which were authorised for issue by the Board on 26 July 2022.
2. The specific disclosures included in these Summary Financial Statements have been extracted from the full Financial Statements for each relevant period.
3. The full Financial Statements for each relevant period has been audited and a modified audit report has been issued for the year ended 31 March 2022. The modification is a qualification that is common with other entities of a similar nature where control over donations and other similar revenue prior to be banked is limited.
4. The Financial Statements of the Society have been prepared in accordance with Tier 2 Public Benefit Entity Reduced Disclosure Regime (Not-For-Profit).
5. Cancer Society of New Zealand, Otago and Southland Division Incorporated is a public benefit entity and was incorporated on 25 April 1951.
6. The presentation currency is New Zealand dollars rounded to the nearest dollar.
7. The Summary Financial Statements cannot be expected to provide as complete an understanding as provided by the full Financial Statements.
8. The Summary Financial Statements have been prepared in accordance with PBE FRS 43 Summary Financial Statements as appropriate for a public benefit entity.
9. The full Financial Statements can be obtained from the Chief Executive at Cancer Society of New Zealand, Otago and Southland Division Incorporated.

## ***Report of the Independent Auditor on the Summary Financial Statements***

to the Board of Cancer Society of New Zealand, Otago and Southland Division Incorporated

### ***Our Opinion***

The summary financial statements, which comprise the summary statement of financial position as at 31 March 2022, the summary statement of financial performance and summary statement of cash flows for the year then ended, and related notes, are derived from the audited financial statements of Cancer Society of New Zealand, Otago and Southland Division Incorporated for the year ended 31 March 2022. In our opinion, the accompanying summary financial statements are consistent, in all material respects, with the audited financial statements, on the basis described in the notes to the summary financial statements.

### ***Summary Financial Statements***

The summary financial statements do not contain all the disclosures required for the full financial statements. Reading the summary financial statements and the auditor's report thereon, therefore, is not a substitute for reading the audited financial statements and the auditor's report thereon.

### ***The Audited Financial Statements and Our Report Thereon***

We expressed a modified audit opinion on the audited financial statements in our report dated 26 July 2022.

### ***Trustees' Responsibilities for the Summary Financial Statements***

The Trustees' are responsible for the preparation and presentation of the summary financial statements in accordance with PBE FRS 43: Summary Financial Statements.

### ***Auditors' Responsibility***

Our responsibility is to express an opinion on whether the summary financial statements are consistent, in all material respects, with the audited financial statements based on our procedures, which were conducted in accordance with International Standard on Auditing (New Zealand) (ISA (NZ)) 810 (Revised), *Engagements to Report on Summary Financial Statements*.

Other than in our capacity as auditor we have no relationship with, or interest in, Cancer Society of New Zealand, Otago and Southland Division Incorporated.

### ***Restriction on Distribution or Use***

This report is made solely to the Trustees as a body. Our audit work has been undertaken so that we might state to them those matters which we are required to state to them in an audit report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Trustees, as a body, for this report, or for the opinions we have formed.

*Audit professionals*
